ITALIAN MOVIE AWARD © International Film Festival

Is now in its **8th edition** and will take place in the ancient city of **Pompeii** from **1st to 7th August 2016** at the amphitheater of **La Cartiera's** natural park. Movie screenings, doc and short films, festivals, exhibitions, and the long-awaited **Italian Movie MasterClass**, free educational cinematographic courses for **100 students** who dream of great cinema.

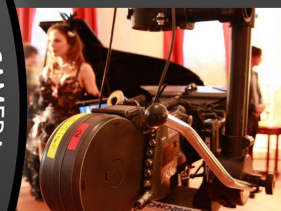

The festival is created and directed by **Carlo Fumo**.

The theme of the next edition is: **RESEARCH**.

The President of the jury is the worldwide renowned researcher **Dr. Prof. Antonio Giordano** *President of the Sbarro Institute for Cancer Research and Molecular Medicine - Temple University*

Since its birth on the festival has been getting more than **108,000 certified presences in 49 total days of events in 8 different locations in Italy and abroad.**

To date, more than **1,000 works** have participated, with 150 of them been selected and shown on screen in their own categories.
